## Evento Compagnia 2024 – beta

### Seconde Missioni Rival (03/09/2024)

#### Missioni e Evento

Le seconde missioni rival come si sono svolte in beta hanno dato premi sostanzialmente equivalenti a quelli delle prime missioni, ma hanno richiesto costi enormemente maggiori.

Come per le prime rival i premi delle missioni danno un totale di 1000 gemme, 15 strumenti di skip 2 ore gratuito, 15 strumenti di up manager gratuito e 5 strumenti di riduzione deli 8,4Q al 50% (4,2Q).

Le missioni richiedono però ora di svolgere 50 task (il doppio) e quindi è necessario fare due banchetti (città).

Inoltre le prime rival chiedevano usare 11 skip da 2 ore (gratuiti o a pagamento) mentre le seconde hanno richiesto 2 skip da 4 ore e 2 skip da 8 ore, per i quali non è previsto l'uso dell'utility gratuita. Considerato che lo skip da 4 ore costa 700 gemme e quello da 8 ore 1.200 gemme, in totale sono richieste 3.800 gemme, vanificando completamente il premio di sole 1000 gemme.

Questo rendeva evidentemente sconsigliabili le seconde rival, tanto che successivamente alla fine delle stesse hanno dovuto fare un cambiamento permettendo di fare gli skip da 4 e 8 ore con ripetuti skip gratuiti da 2 ore. In totale servono 24 ore di skip, quindi 12 skip gratuiti, quando le missioni ne danno come premi 15.

#### Rival Changes

We received lots of feedback, especially regarding the second rival. Therefore we made changes mostly based on the received feedback.

##### Both Rivals

-  **Ally** **Fragments in Milestone Quests** have been exchanged with some rewards from quests
-  **Ally** **Fragments** have been added to almost every quest of the Rival now (total amount of 400/1000 remains unchanged)

##### Rival 2

- **Quests** requiring you to **negotiate** now have an **alternative**. You can also donate a big amount of  goods to your guild treasury. In general negotiating will require less resources than donations. This however prevents you from being locked out and unable to complete the rival, when you can't negotiate.
- **Quests** with **4h and 8h time skips** now have **2h time skips as alternative**. However, you require more 2h skips. This change was made to give you an alternative using the time skip items, instead of having to spend the  Gemstones for a time skip.

#### Altre missioni

**Missioni che richiedono battaglie o negoziazioni senza perdere:** non sono alternative e bisogna fare 10, 15, 20, 25 battaglie e 6, 8, 10 e 12 negoziazioni. Non necessariamente vanno fatte nelle spedizioni.

**Missioni che richiedono produzione di unità** (10 e 20 unità della propria era, 5 e 10 dell'era precedente): per l'era precedente si possono usare edifici dell'era precedente (ville del governatore o del viceré, logge dei cavalieri, palchi delle ere celestiali e altri), oppure mettere caserme dell'era precedente utilizzando eventualmente Alcatraz.

**Missione che richiede la produzione di beni:** 1 volta 4 ore, 2 volte 4 ore, 3 volte 8 ore, 4 volte 8 ore. Si possono utilizzare termina produzione beni, ma questo non è possibile nella città spaziale; eventualmente costruire in mezz'ora produzioni dell'era del bronzo.

**Missioni che richiedono la produzione di materiali:** 10 volte 8 ore, 15 volte 8 ore della propria era, 20 volte 24 ore, 25 volte 24 ore della propria era. Usare qualche termina produzione materiali.
