Evento Invernale – beta

Terze Missioni Rival (19/11/2024)

Bug delle missioni rivali

È importante precisare che queste missioni rivali in beta sono state modificate in corso di svolgimento per un fastidioso bug che ha praticamente fermato il gioco per quasi 24 ore.

Il bug riguardava alcune missioni che chiedevano negoziazioni nei campi di battaglia senza perdere. Se per fare una negoziazione si utilizzavano diamanti il contatore delle negoziazioni superate in precedenza si azzerava e veniva riconosciuta solo la negoziazione fatta con i diamanti (in sostanza si tornava a 1).

Non essendo riusciti a risolvere il bug in tempo utile, hanno aggiunto alle missioni delle alternative.

Non è dato sapere cosa succederà in live: risolveranno il bug? Daranno comunque le alternative?

Missioni legate all'evento

Ho consumato circa 700 campanule ma devo dire di non aver cercato di risparmiare perché ne avevo da parte oltre 2000:

- Illumina una casa
- Illumina due case (2 missioni)
- Apri un "mischia tutti"
- Illumina due case
- Apri un "mostra due"
- Illumina tre case (3 missioni)
- Apri un "paga doppio"
- Illumina tre case
- Apri un "mischia tutti"
- Illumina tre case
- Illumina 4 case (2 missioni)
- Apri un pupazzo di neve
- Illumina 4 case
- Apri una chiave del calendario
- Illumina 4 case (3 missioni)
- Apri 2 pupazzi di neve
- Illumina 4 case
- Apri 2 chiavi del calendario

Missioni che richiedono la produzione di materiali:

- 8 ore 15 volte
- 8 ore 20 volte della propria era
- 24 ore 25 volte
- 24 ore 30 volte della propria era

Battaglie nelle spedizioni senza perdere e Battaglie nei campi di battaglia senza perdere:

- 10 battaglie nelle spedizioni senza perdere e 15 battaglie nei campi di battaglia senza perdere
- 15 battaglie nelle spedizioni senza perdere e 30 battaglie nei campi di battaglia senza perdere
- 20 battaglie nelle spedizioni senza perdere e 40 battaglie nei campi di battaglia senza perdere (al posto delle 40 battaglie è possibile reclutare 200 unità militari della propria era)

Visti i numerosi cambiamenti fatti in corso di gioco in beta, si può pensare che in live potrebbe essere possibile sostituire con il reclutamento di truppe anche le 15 e le 30.

Negoziazioni nelle spedizioni senza perdere e Negoziazioni nei campi di battaglia senza perdere (Missioni soggette in beta al Bug delle missioni rivali, vedi sopra):

- 5 negoziazioni nelle spedizioni senza perdere e 5 negoziazioni nei campi di battaglia senza perdere
- 5 negoziazioni nelle spedizioni senza perdere e 10 negoziazioni nei campi di battaglia senza perdere (al posto delle 10 negoziazioni è possibile donare 5.500 beni della tua era alla tesoreria)
- 10 negoziazioni nelle spedizioni senza perdere e 20 negoziazioni nei campi di battaglia senza perdere (al posto delle 20 negoziazioni è possibile donare 12.000 beni della tua era alla tesoreria)

Visti i numerosi cambiamenti fatti in corso di gioco in beta è probabile che anche nella prima missione le 5 negoziazioni nei campi di battaglia possano in live sostituite con donazioni alla tesoreria.

Altre missioni:

- 50 battaglie senza perdere OPPURE reclutare 200 unità militari della tua era
- 30 negoziazioni senza perdere OPPURE donare 19.500 beni della tua era alla tesoreria (**Missione non soggetta in beta al Bug delle missioni rivali, vedi sopra**)

Missioni che richiedono produzione di unità militari:

- 10 della propria era
- 20 della propria era
- 5 dell'era precedente
- 10 dell'era precedente

Missione che richiede la produzione di beni:

- 8 ore 1 volta (qualsiasi era)
- 1 giorno 1 volta (qualsiasi era)

- 2 giorni 1 volta (qualsiasi era)
- 4 ore 2 volte della propria era o dell'era precedente

Missioni relative ai punti forge:

- Compra 5 punti forge
- Contribuisci con 250 punti forge nei Grandi Edifici
- Compra 5 punti forge
- Contribuisci con 1.000 punti forge nei Grandi Edifici
